"Having vanquished the Goblin Raiders and returning with the Damsel, you have collected your rewards and a healthy dose of gratitude from the locals. However, that night, screams awake you from your celebratory slumber. Rushing outside you find the village is under attack, but this time by goblin skeletons, zombies and ghouls. Rushing to gather your equipment you wade your way back in to battle and vanquish the tiny terrors. After close examination, you discover that these undead creatures were the same goblins you had defeated in the hills. What or who could have done this?"

The villagers look displeased as they piece the puzzle together as well. You decide to head back in to the hills and find out what has brought this terror upon them."
