"A smaller caravan inbound from Azrahda fell under attack by a swarm of undead, the escorts were overwhelmed and now the caravan is wrecking havoc along the western trade route as the walking dead. The guard is reluctant to pull troops away from the closest outpost, so they are looking for a brave team of heroes or even mercenaries to take care of the problem and reopen the trade route again. If you accept this mission keep in mind that the destruction brought on by the caravan will attract scavengers and other troubles as well."
