"Lyrrandorr spirals ever downward, and with every step along its endless ramp your soul calls out for the light. You peer upwards and can barely make out the bright dot overhead that is the entrance. Every carved out ruin here is a long forgotten shambles which houses some strange haunt, beast or creature. Each level is like a small village or ecosystem into and unto itself. It is difficult to avoid following the echoes in to the endless chambers within the mountains that may lead to Gul'Matok and stay the path into the crushing darkness."

- contains no more than 1 full set of cards from Unbound and Underworld (1 rare, 2 uncommons, 3 infrequents and 4 commons).
- try to complete "Journey's End" +1 other Quest.
